Uno studio del Ministero della Salute stima che l'aria nelle nostre case sia da 2 a 5 volte più inquinata dell'aria esterna. Se si aggiunge a questo un eccesso di umidità nell'ambiente, le conseguenze sulla salute saranno molto negative.

La soluzione di Murprotec per il ricambio e la sanificazione dell'aria interna è CTA (centrale trattamento aria)

CTA Murprotec la soluzione DEFINITIVA PER MUFFE E CONDENSE
