Ducati 916 Senna originale della prima serie in colore nero, estremamente rara. È in condizioni assolute da collezionista, con pochi chilometri.

Recentemente sono stati rinnovati:

Nuova catena

Pneumatici nuovi

Nuovo ampio servizio

Dopo la morte del leggendario pilota automobilistico Ayrton Senna, la Ducati produsse un'edizione limitata chiamata 916 Senna. Nel 1998 ne furono prodotti un numero limitato di soli 300 esemplari e c'è chi dice che questa moto sia la moto più bella mai realizzata fino ad oggi. Sfortunatamente, la maggior parte di loro non è sopravvissuta al passare del tempo e i rari sopravvissuti sono per lo più in cattive condizioni o guidati su piste da corsa.

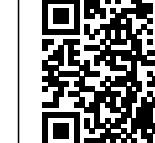

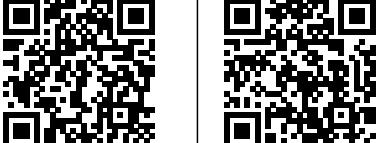

La moto in questo lotto è la n. 77/300 ed è in condizioni tecniche, ottiche e originali assolutamente perfette e non è mai stata guidata su piste da corsa.

Questa moto mantenuta in servizio è probabilmente il miglior esempio rimasto e conservato della serie mozzafiato Senna e un'opera d'arte. Leggi tutto
