The camera comes from a photo shop that has closed. This Sofort was on display in the shop window, it was removed from the box but has never been used. Unfortunately, the camera is sold alone without a box, without instruction booklets, without a carrying strap, without battery and without battery charger. The battery and charger can be found easily on internet from Chinese manufacturers and cost very little. The battery shown in the picture is not sold in this auction. A fun camera and a beautiful design item. A must have.\r
