Hello there,

My name is Mattia and I am a Senior Native British English Tutor and Teacher who has been giving Private English Tuition at all levels (from elementary to academic) for the past 13 years. Moreover, I completed a law degree (LLB) at the UEL (University of East London) School of Law in my hometown, London.

My teaching method is based on the communicative approach and the inductive teaching of a wide range of linguistic sub-fields including but not limited to: grammar, syntax, idiomatic expressions, vocabulary, pronunciation and accent reduction through topical conversation, writing, reading of articles (or books) and listening.

Moreover, I specialise in preparing adult learners for English language exams including IELTS, TEFL, TOEFL, TOEIC and Cambridge English Qualifications (CPE, CAE, FCE, PET, KET and KEY).

Excellent quality teaching and reading materials are given free of charge.

A lesson normally lasts for two hours and is delivered through the medium of Skype or the telephone. Furthermore, my pay as you go lessons hourly rate is €25 and hence I charge €50 for a two-hour lesson.
