Volkswagen Beetle Split bumper (1930 – 1956) by stainless steel (VW Käfer Split Stoßfänger)

One set includes 1 front bumper , 1 rear bumper, 4 over-riders and 4 steel bracket.

The bumper is copied from the original in shape, size and is perfectly comparable to the original bumper. The bumper is made from 304 stainless steel (it never rust, even at different temperatures), After the bumper is finished, it is polished to high gloss. It looks like chrome. The inside of the bumper is painted with many layers, making it smoother and more beautiful.
