

A black plastic automotive light switch assembly is shown against a light-colored, textured background. The assembly features a central rotary knob with a silver-colored grip. The knob has four positions: 'O' (off), 'AUTO', and two positions with symbols for parking lights (four small rectangles) and fog lights (a single rectangle). To the right of the knob is a side-mounted lever with a black grip. This lever has two positions: one with a fog light symbol and one with a headlight symbol. A white tag is attached to the right side of the assembly. The tag contains the following text: 'Ricambi Usato', 'Ref. 2090000000', '0.0', '15/04/2019', 'ESCE/202 00 27-4'.
