ITALIAN native teacher, with over 8 years of experience in teaching italian to foreign people, offers online Italian lessons. Let's improve your Italian skills to finally reach your goals. Tutor for foreigners of all levels (from A1 to C2)

Lesson
At the beginning I'll try to know what level you are and what needs you have.
You can do Conversation or Grammar Lessons and during them we'll spend some time to solve and clarify possible doubts.
During the Conversation Lessons we'll talk about topics you are interested in and we'll try to improve your vocabulary.
You can also learn Italian as a foreign language, so from a particular situation you'll learn Grammar, Vocabulary, possible questions and answers, and we'll do listening or reading comprehension.

Cinzia
I started teaching after my degree in Foreign Languages (French and English) at the University of Parma and the postgraduate diploma in SILSIS (Specialization School for Secondary Education) at the University of Pavia.
I began working as a teacher and now I teach languages (French and English), Italian for foreign students and I help children in doing lessons and homework.
