Trattiamo in esclusiva la vendita di un antico palazzetto cielo terra nel centro storico di Linguaglossa, piccolo centro turistico ai piedi del versante Nord dell'Etna. L'immobile, risalente alla fine dell'800 è in ottimo stato conservativo relativamente alla solidità strutturale ma necessita di ristrutturazioni generali per riportarlo allo splendore iniziale. Il Palazzetto gode di una posizione privilegiata in quanto si affaccia su una caratteristica piazzetta recante la Madonnina della Pineta ed ha un bellissimo scorcio della Chiesa Madre del Paese. Dispone di tre lati liberi ed ha una consistenza generale di circa 400 mq; al piano terra infatti troviamo diversi magazzini, corrispondenti alla pianta della struttura, attualmente separati ma con la possibilità di essere tutti messi in comunicazione ed ideali per la realizzazione di ristoranti, bar o diverse attività; al piano nobile invece circa 9 vani con relativi affacci ed una splendida terrazza con vista dell'Etna e dei tetti di Linguaglossa. Per caratteristiche specifiche il Palazzetto ben si presta alle attività turistico-ricettive ma anche residenziali o professionali. Chiudi
