La cappotta è in ottime condizioni e non è stata toccata.

Sono stati sostituiti i tubi dell'impianto idraulico con altri più resistenti.

Sono stati fatti su misura. E sono stati verificati e revisionati i componenti elettronici e idraulici del sistema apertura e chiusura.

È stato fatto il lavaggio del cambio automatico e sostituito l'olio.

È stato appena montato il nuovo kit distribuzione con tenditori in ferro e la pompa acqua e cinghia servizi sono nuove.
