Must Have!

i present you a beatiful set of a second and revised edition of the lord of the rings.

All the books are second edition, first impression (1966) of the 'revised edition' and in very good condition.

Extremely rare, valuable and sought after in this state and complete of their original dust jackets and protective acid-free transparent wraps.

Internally very clean and very likely unread.

Will be carefully shipped in bubblewrap. Chiudi
