Tutti gli orologi automatici al primo utilizzo devono prendere la carica dalla corona, solo il movimento del polso non è sufficiente per mantenere la carica necessaria.

Per tutti gli orologi con cinturino in acciaio è possibile rimuovere le maglie dal cinturino con gli attrezzi necessari, se non si è in grado di farlo da soli ti chiediamo gentilmente di rivolgerti ad un professionista

Per tutti gli orologi con cinturino in pelle o caucciù è possibile forare il cinturino con gli attrezzi necessari, se non si è in grado di farlo da soli ti chiediamo gentilmente di rivolgerti ad un professionista

Contenuto nella confezione : Set completo con garanzia internazionale ufficiale UBLAST di 24 mesi - Orologio nuovo mai indossato - La scatola dell'orologio potrebbe essere differente dalle foto dipende dalle scorte disponibili in magazzino al momento della spedizione, ma garantiamo la scatola originale del marchio.

L'orologio viene spedito come in foto, le foto sono scattate realmente sull'orologio
si tenga presente che il colore può subire piccole variazioni di tonalità dovute a riflessi di luce, ombre o luce diretta sull'orologio durante la fase di scatti, la spedizione è curata in ogni minimo dettaglio ed è assicurata per l'intero valore dell'orologio, con tracciabilità fino alla consegna del pacco

Spedizione Europa : Nessuna tassa aggiuntiva da pagare all'interno dell'Unione Europea

Spedizione Internazionale Extra Europa : Dazi e dogana sono esclusivamente a carico dell'acquirente, noi non siamo responsabili sui costi doganali

Il feedback per noi è molto importante e ci aiuta ad offrire un servizio migliore ai nostri acquirenti: Se per sbaglio abbiamo commesso un errore, ti chiediamo gentilmente di contattarci prima di lasciare un feedback negativo o neutro, Il nostro obiettivo è lasciare tutti i nostri acquirenti soddisfatti del loro acquisto.
