Buonpensiero Punkie d'oro

Prima di realizzare un orsacchiotto, vengono sempre realizzati dei prototipi (campioni). Questo è il prototipo n.2.

L'orso è stato realizzato da Merrythink per conto di Teddy Bears of Whitney. Questo speciale orsacchiotto è stato realizzato per loro. Dall'etichetta di lavoro cucita puoi vedere che questo orsetto è il prototipo n. 2, realizzato nel 2002.

Questo simpatico orsetto di 24-26 cm è realizzato in mohair. Ora lo sto offrendo all'asta in questo lotto su Catawiki. Questi tipi di orsi, i prototipi, sono estremamente rari. Di solito ce n'è solo uno.

Sul plantare destro l'orso è firmato da Ian Pout, si tratta del proprietario di Teddy Bears of Whitney ed ex proprietario del famoso orsacchiotto rosso Steiff: Alfonzo.

L'orso è in buone condizioni.
