AMELIE di una dolcezza incredibile

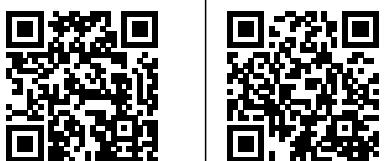

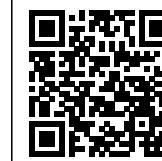

Taglia: Media | Età: nata a maggio 2014

Amelie è di una dolcezza incredibile, curiosa, attenta, ci guarda con i suoi piccoli e profondi occhi neri, alla ricerca di una carezza e di libertà. Sono anni che è imprigionata in un asettico e freddo box di cemento, condiviso con il suo amico di sempre, Raimondo. Adesso, però è rimasta da sola, il suo compagno è andato via e, vorremmo, che finalmente anche lei trovi un nido accogliente, persone amorevoli che sappiano amarla, restituirlle la libertà e il calore di una casa.

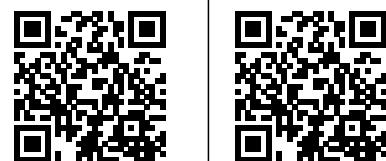

Amelie è nata a maggio 2014, abbandonata e finita in canile nel 2016, è una taglia media. Verrà affidata vaccinata, microchippata e sterilizzata. Si trova in un canile privato in provincia di Frosinone, adottabile al Centro e Nord Italia con visita preaffido, moduli adozione, disponibilità a mantenere i contatti ed al postaffido.
