Ready to start your IELTS Exam Preparation Course and pass your IELTS Exam? I've got you covered.

My name is Mattia and I am a Senior Native English Tutor and Teacher. I have been giving Private English Tuition at all levels (from elementary to academic) for the past 13 years. Moreover, I graduated from the UEL (University of East London) School of Law in my hometown, London.

My teaching method is based on the communicative approach and the inductive teaching of a wide range of linguistic sub-fields including but not limited to: grammar, syntax, idiomatic expressions, vocabulary, pronunciation, intonation and accent reduction through topical conversation, writing, reading of articles (or books) and listening.

My IELTS Preparation Course focuses on all the main language skills and exam techniques needed to give you the best possible chance of getting the score you need.

Excellent quality teaching and reading materials are given free of charge.

A lesson normally lasts for two hours and is delivered through the medium of Skype or the telephone. Furthermore, my pay as you go lessons hourly rate is €25 and hence I charge €50 for a two-hour lesson.

Have a glorious day, stay mellow and keep soldiering on.
