Polpettina in cerca di casa, per la precisione una polpettina di 5 mesi, futura taglia media abbondante... ecco a voi Margherita!

Purtroppo al momento si trova in canile, e non sembra esserci nessuno che abbia voglia di tirarla fuori e portarla a casa. Pensate che inizialmente erano ben 7 fratelli e sorelle, tutti gli altri hanno lasciato quel box e hanno iniziato la loro nuova vita, ma per Margherita niente di niente.

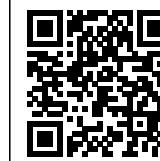

Sta crescendo dietro le sbarre, senza una carezza, senza un cuscino caldo su cui pisolare, senza qualcuno con cui giocare e senza la possibilità di conoscere il mondo.

Sappiamo che esteticamente Margherita è una cucciola come tante, ma dentro è speciale.

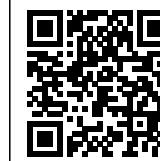

E' socievولissima, allegra, festosa e davvero tanto dolce. E' una trottolina piena di energia, super giocherellona e vivace.... pronta a riempirvi le giornate!

Ci sarà qualcuno dal cuore grande che possa dare a Margherita una chance?
