JAMIE JONES

Creatività, presenza scenica e carisma: qualità imprescindibili in un dj e che si devono riflettere in una serata in grado di fare la differenza, sempre e comunque. Caratteristiche che fanno parte del DNA di Jamie Jones e che sono pronte ad esaltarsi a Vision, la one-night prodotta da Amnesia Milano e che venerdi 27 settembre 2024 torna al Fabrique con il suo secondo appuntamento stagionale.

Sono tanti, tantissimi i punti di forza di Jamie Jones: su tutti la sua serata Paradise, in calendario tutti i mercoledì all'Amnesia di Ibiza, la sua etichetta discografica Hot Creations, fondata nel 2010 insieme a Lee Foss e soprattutto uno stile unico, capace di combinare house, techno e funk. Il dj e producer gallese non si stanca mai di cercare il suono che ancora non esiste e sa sempre quando infondere la giusta energia nei suoi set, peculiarità quest'ultima che distingue i fuoriclasse della console, categoria alla quale Jamie Jones appartiene senza se e senza ma.
