

A modern, minimalist interior space. On the left, a white sofa with a red cushion sits against a white wall. Above it, a red abstract painting is displayed. A black horizontal beam runs across the ceiling. In the center, a white dining table with four white chairs is set up. To the right, a kitchen area features dark red cabinetry, a white countertop, and a sink. A large skylight on the right side of the ceiling provides natural light. The floor is covered in light-colored wood-look planks.
