Piemonte, Villadeati

Vendo Lancia Ypsilon 1.3 multijet diesel con 119.863km
Macchina ferma da luglio per inutilizzo.
Qualche difetto estetico per via della vernice sbiadita e un ammaccatura sul lato destro.
Motore funzionante ma da rivedere che sfiata da un collettore del turbo. Problema risolvibile.
Cambiato olio e filtro olio neanche 1000km fà.
Vendo vista e piaciuta e passaggio a carico dell'acquirente.
