

# STOP FANALE POSTERIORE DESTRO SMART Fortwo Coupeacute (W450) 253032R 2

Luogo **Liguria, Genova**  
<https://www.annuncici.it/x-656238-z>

STOP FANALE POSTERIORE DESTRO SMART Fortwo Coup  (W450) 253032R 253042R 16411315 (03>07)

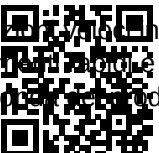

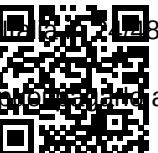

### DETTAGLI

- Marca: SMART
- Codice OE: 253032R 253042R
- Anni di produzione: 2003 > 2007
- Anno: 2003
- Cilindrata: 698
- Alimentazione: benzina
- Codici motore: 16411315
- Condizione Fanale: Leggermente Graffiato

### CONDIZIONI

- Prezzo compreso iva.
- Usato, selezionato, testato e garantito.
- Foto reale del prodotto.

### SPEDIZIONE E PAGAMENTI

|                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                     |
