Hello, I'm Rachel and I come from Tennessee in the USA. I graduated from university in 2008 with a Bachelor's Degree in Music Industry Studies and I've been teaching English for the past 10 years. I lived in China, Bali and Puerto Vallarta. Apart from teaching I also love traveling! I want to use my experiences from living abroad and traveling to better teach English. During my classes I focus on conversations, pronunciation, and grammar. With me you'll sound like a native and get proficient in no time.

I specialize in:

- Teaching young learners
- Teaching grammar
- Pronunciation
- Conversations
- Exam preparation (IELTS and TOEFL)
- Travel preparation and Tourism-related vocabulary

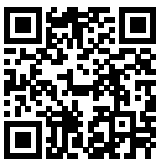

Except for teaching I have my own travel blog for digital nomads that I manage together with my husband. I also love live music and I played trumpet and piano myself for 15 years.

I offer regular lessons, but if you are interested I also offer courses such as: Effective Communication for Business Professionals, Business English Accelerator Course, Visiting [Country] Course for Travel Lovers, Practical English for Frequent Travelers and Grammar Skills to Level Up Your English.

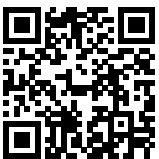

My reviews and testimonials say I am an inspiring and motivating teacher. I have a great passion for teaching and I love helping people learn. I have a lot of experience in teaching English to people from all over the world.

My goal is to make you feel like you're just having a coffee with a friend. Still have questions? Book a FREE trial class so I can answer them.

See you soon, Rachel
