Se cerca un dentista, forse il momento giusto per recarsi in Croazia per risparmiare ma soprattutto ottenere delle cure dentali al altissimo livello. Noi ci troviamo ad Abbazia (Opatija) vicino Fiume (Rijeka), solo 50 km distante dal confine Italiano di Trieste. Il nostro staff parla l'Italiano e, rispettando le Sue richieste, Le preparerà e invierà via e-mail un preventivo e programma di lavoro dettagliato contenente anche i tempi e numero di sedute per realizzare il lavoro. La Croazia appartiene alla Unione Europea mentre dal 1.1.2023 in Croazia la valute è l'Euro. Quando decide di venire, le sarà prenotato l'appuntamento per una visita specialistica gratuita, senza alcun impegno. Perché non fare una vacanza al mare e curarsi i denti risparmiando fino a 70% in confronto ai prezzi in Italia? La nostra clinica vanta di una tradizione di oltre 125 anni di lavoro, proprietà della stessa famiglia di dentisti già da 5 generazioni e non è per niente una "fabbrica di denti" come tante in Croazia. La attrezzatura di qui disponiamo (per esempio i laser Er:YAG, Nd:YAG, l'impianto di isolamento delle cellule staminali e integrazione delle stesse nell'osso etc) non la troverete nel 99% di cliniche sia in Croazia che in Italia. Specializzati nella parodontologia e implantologia, abbiamo l'esperienza di avere eseguito oltre 30.000 impianti dentali endosseali, oltre 2000 interventi di sinus lift e oltre 3000 interventi per la cura della parodontite "full mouth desinfection". I nostri pazienti sono tantissimi locali come pure molti Italiani di qui la maggioranza (le loro famiglie), ci frequentano già da generazioni.
