SENAGO – CAPANNONE MQ 350 + UFFICIO MQ 50 - Nella zona al confine con Garbagnate, in un contesto industriale completamente ristrutturato non molti anni fa, proponiamo una soluzione di capannone di mq 400 con altezza 4 metri, completamente controsoffittato e dotato di un ufficio composto da due locali. Il cortile per la movimentazione mezzi e merci è molto ampio comodo anche per l'accesso di bilici. AFFITTASI. Con un'operatività iniziata nei primissimi anni '90, l'ufficio Industriale di Paderno Dugnano si attesta a buon diritto tra le primissime realtà che si sono occupate di sviluppare un patrimonio di competenze specifiche nell'ambito dell'intermediazione immobiliare nel settore industriale. Tutti questi anni di lavoro hanno prodotto una straordinaria conoscenza del tessuto industriale presente nei comuni - che ricordiamo essere Paderno Dugnano, Cusano Milanino, Cormano, Novate Milanese, Bollate e Senago - nei quali l'ufficio direttamente opera e che mettiamo volentieri a disposizione dei nostri clienti.
